- Price review - The prices resulting from the award will remain fixed and unchanged for the first year of assignment. The request for price adjustments, starting from the second contractual year, duly motivated and accompanied by the necessary documentation, must be addressed to the Administration at least thirty days before the expiry of the contract. It is understood that the accounting by the company of the increases that have taken place can only be carried out after the appropriate checks and the consequent approval of the Administration. Price revisions can be requested only once for each year.
